

WIN WITH TALBOT ON PORTFOLIO SOLUTIONS

Talbot Portfolio Solutions delivers market-leading capabilities, combining deep expertise in underwriting, pricing, product development, analysis, implementation and governance to provide comprehensive insurance solutions.

Our Portfolio Solutions division enables us to build meaningful, long-term relationships with brokers and Coverholders across a range of business lines. We can consider diverse portfolios spanning broker facilities, Managing General Agents (MGAs), reinsurance and consortia – bringing scale, stability, and specialist knowledge to every engagement.

With meaningful international capacity, we support both multi-class and single-class facilities, giving brokers and clients the flexibility they need in an evolving landscape.

Talbot's Portfolio solutions sweet spots

At Talbot, relationships are the foundation of everything we do. We take a long-term view with our brokers and clients, building partnerships that go beyond individual transactions. Our goal is always to find a workable solution – drawing on our expertise, financial strength, international reach and appetite for risk.

We are able to offer multi-year commitments, providing the certainty and continuity that brokers and clients depend on when building sustainable portfolios.

Talbot Portfolio Solutions Differentiators

Solutions Orientated

Complex and substantial risks don't always fit neatly into traditional insurance or financial markets. When they don't, Talbot can step in. We work closely with brokers and clients to understand challenging exposures and design, innovative programmes that address them.

AIG Group

As part of the AIG Group, Talbot benefits from the resources, insight, and global reach of one of the world's leading insurance organisations. This connection gives brokers and clients access to shared intelligence on emerging trends,

collaborative expertise across lines of business, and the confidence that comes with market-leading financial strength. Together, we develop solutions designed to keep clients ahead of emerging risks.

Products and services are written or provided through Talbot Underwriting Ltd, as managing agent of Syndicate 1183 at Lloyd's ("Talbot") or by other subsidiaries or affiliates of AIG. Products or services may not be available in all countries, and coverage is subject to actual policy terms. Non-insurance products and services may be provided by independent third parties. Talbot is listed on the NAIC International Insurers Department Quarterly Listing of Alien Insurers ("IID-listed insurer"). IID-listed insurers are not licensed and generally do not participate in state guaranty funds, and insureds are therefore not protected by such funds. The term AIG refers to American International Group, Inc. property and casualty insurance operations, including related property and casualty business divisions, but not to any specific subsidiary insurance company. Licensed, surplus lines brokers may obtain products and services from Talbot Specialty Insurance Services, Inc. an AIG subsidiary and affiliated coverholder of Talbot.
